**Greetings Everyone:**

I hope you all had a very Merry Christmas and we wish you all the best for the New Year.

I hope that most of you have bought your tickets for the Hoffman Challenge Luncheon and Fashion Show on January 20, 2010 at the River Wilderness Country Club. Tickets are on sale at the store for \$20.00. It's a great show and we would love to have you there.

We have some exciting things planned for the new year and will add classes to the schedule later.

We want to welcome back all our friends from the North and thank all our Customers for their support throughout the year.

If you have classes that you would like us to have, please let us know and we will be more than glad to try and put them on the schedule.

Come try the new Bernina 820 or 830 machines. With the Bernina 830, you can embroider at 1,000 impeccable stitches per minute — no other home sewing machine is faster. The optional jumbo hoop gives you the most space to stitch your largest embroidery designs without re-hooping, turning or rotating. The jumbo bobbin pops in and out with ease and holds 40% more thread than other machines.
